If we give you written permission to keep a dog, you must comply with the general conditions set out in the Pet Keeping Policy

If we have concerns, that nuisance is being caused by you, a member of your household or visitor to your home, this may affect our decision on you keeping a dog or any other pet.

This request forms part of your leasehold conditions.

Failure to comply with the conditions will be dealt with as a breach and court action may be taken, or we may withdraw our permission for your pet.

We may take the same action against you if you have supplied false information in relation to your pet.

You must get our written permission if you want to look after a dog for someone else. We will need to know what type of dog it is, how long you intend to keep it, and if you have any other pets.

I agree and will comply with the points stated above and those set out within the Pet Keeping Conditions.

I fully understand my responsibilities under the terms of my tenancy agreement and will abide by the conditions set out in this application.
